MISCELLANEOUS REQUEST FORM

RECEIVED

From: Rogelio Rodriguez Jr To: nurse Pod: D Date: 19th

1) I wan to get put back on Vistaril, The Hydroxyzine aint WorKing, vistaril is the same as hydroxyzine, is the same as atarax.

2) On my first NEMER I wrote down Anxiety, Depresion and Stress, I only got help for Anxiety I'm not filling out another nemer I want a grievance for this isue If you have medical issues that need addressed you need to follow the correct process.

3) The isue for my body part you tell me a month later after I filled out a NEMER for my body part that I need ex amount of money to get help this is outrasouse and inposible $300 pluse $110,00 I need a greivance for that issue thank you I need your last name to adress this If you would like an appt. you need to follow the Right procedu

NOTES
I have already went through the right procedures Misolanious Request, NEMERS, Grivences, LT Torczon all been unsucesfull and I did not get the grievences I asked for on this request

on #2 I wrote out a nemer it they lost it I waited a month later I filled out anotherone for Axiety, Depresion and stress I only got help for one and I dont think it is nessesary to keep on filling stuff out if I already did once and put clear wat I was experiencing.

NOTES. On #3 when I seen the nurse for my testicle issue she asked me to show her my testicle she touched it then said she will let the doctor Know. The nurse Knows I have an issue down in my groin era. I felt emberaced, to show her if she was not going to help me with this issu why did she have me show her my testicle? and Why did she touch it? There was a Deputy Present Deputy, ofley and when I seen the Doctor for this twice she told me she will let me know she was going to talk to a Doctor to run some test. I waited a month so I put in to chek the status on that the nurse tells me

I nee ex amount of money to proceed I dont Have I dont think this is being handeld properly ~~and~~ after all this I dont feel right showing the nurse my testicle and leting her touch it examin it Just for this whole issue end up lik this
